

# TECHNICAL DATA | SPECIFICATION SHEET

## KLIME-EZEE | KL LIGHT WEIGHT RANGE

The Light Weight Range shares the same design and specifications as the KE-Industrial Range but is crafted from 19mm tubing instead of 25mm, making it a lighter yet equally reliable option. This range is perfect for use in stores, archives, warehouses, and office environments, offering excellent versatility and adaptability. With a variety of color options, tread types, and exit configurations, you can customise it to fit your specific needs.

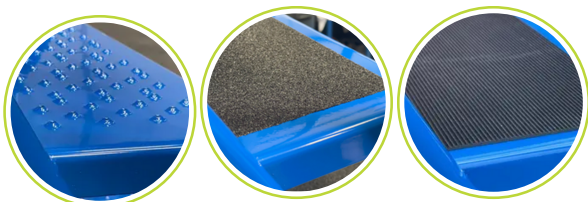

-  SAFE WORKING LOAD OF 300KG
-  WORKING PLATFORM SIZE 550MM(W) X 400MM(D)
-  CUSTOMISABLE EXIT OPTIONS

| Product Code | Platform Height | OVERALL |       |        | Weight | Brake Type      |
|--------------|-----------------|---------|-------|--------|--------|-----------------|
|              |                 | Height  | Width | Length |        |                 |
| KL 02        | 500             | 1500    | 650   | 605    | 17     | Plunger Castors |
| KL 03        | 750             | 1750    | 650   | 758    | 18     | Plunger Castors |
| KL 04        | 1000            | 2000    | 650   | 911    | 28     | Plunger Castors |
